

The Uniting Church in Australia  
Warwick, Killarney & Freestone  
Uniting Parish  
Sunday 9<sup>th</sup> June

*Welcome to worship as we continue to journey with the disciples after the crucifixion on this third Sunday after Pentecost. May God bless you today as you join in either online or in the pew. Please stay for a chat and a cuppa after the Service.*

Gracious God, Source of Unconditional Love, our hearts are too often turned inward, consumed by our own desires and focused on our own interests, clinging tightly to what we have or want, leaving little room for true compassion.

Forgive us, when we choose ourselves over others. Open our eyes to see the suffering, the struggles, the hopes and fears of those around us—especially those who are "other" to our own experiences. Let us see the beauty, worth, and humanity in each of Your children, no matter how different they may seem from us.

Teach us to live and love for the sake of others following Christ's example. Give us the courage to stand with the marginalised, give voice to the oppressed, and be present with the isolated and alone. Let our words, actions, and choices manifest Your compassion. We are one family united in You. May that truth be reflected in the treatment of all, near and far. In Christ's name, we pray, Amen.

**June 9<sup>th</sup> Mark 3: 20-25 Pentecost 3**

This passage today raises lots of questions about ‘who’ Jesus is. We often console ourselves by imagining if we were there with Jesus, our faith and trust would have been easy. This was not so, as we are reminded today.

Jesus is certainly a figure to be reckoned with. He heals all manner of people from many different diseases. He teaches with such authority that people immediately recognize that this is new and different. He calls and commissions his followers, and the crowds flock to him.

Where does his power come from? Is he just a crackpot who will crash and burn? How can we understand him? Even his family went out to restrain him, because all types of reports and gossip were coming to them.

They don’t even get close to restraining him, as we read further past our passage for today. The natural family is of secondary importance to this New Community Jesus has established. Those who did get close were the scribes from Jerusalem.

They tried to discount him by declaring, “He has Beelzebub, and by the ruler of demons he casts out demons. Jesus quickly responds to their claim, “How can Satan cast out Satan? If a kingdom is divided against itself cannot, that kingdom cannot stand.”

Loving Father, we pray that our world is full to overflowing with your love, acceptance and grace. Amen.

Blessings, May.

Our Courthouse Cuppa team invite others to share in this ministry – mostly Monday mornings – to cook and/or to serve with a buddy. Can you help? See Alison Baistow.

Donations of doonas and blankets can be left at the church office or contact Dianne on 0427 000 887 to arrange collection.

Thanks to those who have contributed towards supplying blankets. Some of our visiting workers are sleeping warmer thanks to your generosity.

But we know it will get colder. More are needed.
