

Come sit in our courtyard or out in the sun and take in the easy pace of life as you enjoy a barista coffee and sweet or savoury treat -every morning except Sunday at our famous Uniting Church Courtyard Coffee.

Renown for its great variety and quality of food and coffee, during the Jumpers and Jazz festival the offering include arts, crafts and plant stalls with the gentle flow of jazz in the background.

As well as a quiet place to soak up the festival atmosphere, wander around our Jumpers and Jazz tree – designed on the event theme of JAM – and as a faith community we can always interpret this as Jesus and Me and Jesus and Music.

An interactive display of musical instruments is set to entice visitors to create their own jazz -with craftsman-designed glockenspiel and xylophone as well as a variety of other everyday percussion items. And it wouldn't be complete without a colourful collection of jam-coloured pom poms.

So come, sit, ponder and relax, away from the mayhem of the main street and enjoy our Jazz in the Courtyard during this Jumpers and Jazz festival.
